Drill Schedule

The MACE, CAG, 4th FSSG and 31st ITT will eventually be returning back to a regular drill schedule. The drill schedule will be resuming approximately 60 days after individual Marines are demobilized. This will allow time for the Marines to adjust back to a regular work environment at their civilian jobs, prior to returning back to their reserve units for weekend drills.

MACE Drill Schedule for 2003

13-14 Sep

4-5 Oct

15-16 Nov

6-7 Dec

Clothing Inventory

Clothing inventories for all units will be held in the next months. All SMCR enlisted are required to have their clothing inventoried yearly. Upon completion of this inventory all Enlisted Marines will have a completed 604 with which their Digital Cammies, Desert Digitals and new boots will be ordered, along with other needed clothing items. The replacement cannot be done before the Marine is off active duty. To take advantage of FY 2003 money we need to have the inventories completed before 30 September.

Reminder this is not an INSPECTION it is an INVENTORY for accountability purposes. A list of all required clothing items is enclosed.

National Student Loan Program

A copy of NSLP's Military Mobilization Fact Sheet for Federal Family Education Loan Borrowers is available at <http://www.nslp.org/loan.htm>. NSLP developed the Fact Sheet a few months ago as part of its overall effort to make sure that the student borrowers whose loans we insure understand how to seek the postponement of their student loan payment obligations if they are mobilized. We believe this to be an important effort, as do not want wish to see servicemen or women suffer the consequences of default simply because they do not understand their rights and responsibilities as student loan borrowers.

Weather Report

Forward reports that they have seen the last of the below 90 at night and will soon see 120 during the day. However, tents and workspaces are air-conditioned but no info as to how they get between the two locations.

BEWARE!!! Credit Card Fraud

A Marine forward had a \$5,500 charge for an airline ticket on his card. Fortunately his wife was monitoring the account online and was able to confirm with her husband that he did not make the charge. His card had not been stolen but but the Marine had used the card at restaurants in Kuwait City

MACE Birthday Ball

The Ball has been scheduled for 15 November at the SNCO club here at Camp Pendleton. A committee is just forming and will send out more info.
